

Proposed Pet Shop (Licensing) (Scotland) Bill

Page 1: Introduction

A proposal for a Bill to improve animal welfare by enhancing local authority pet shop licensing powers and updating the licensing system, including in relation to licence conditions, fees and inspections. The consultation runs from 26 March 2018 to 18 June 2018 All those wishing to respond to the consultation are strongly encouraged to enter their responses electronically through this survey. This makes collation of responses much simpler and quicker. However, the option also exists of sending in a separate response (in hard copy or by other electronic means such as e-mail), and details of how to do so are included in the member's consultation document. Questions marked with an asterisk (*) require an answer All responses must include a name and contact details. Names will only be published if you give us permission, and contact details are never published – but we may use them to contact you if there is a query about your response. If you do not include a name and/or contact details, we may have to disregard your response. Please note that you must complete the survey in order for your response to be accepted. If you don't wish to complete the survey in a single session, you can choose "Save and Continue later" at any point. Whilst you have the option to skip particular questions, you must continue to the end of the survey and press "Submit" to have your response fully recorded. Please ensure you have read the consultation document before responding to any of the questions that follow. In particular, you should read the information contained in the document about how your response will be handled. Page 8: Aim and approach

Q1. Which of the following best describes your view of the proposal to strengthen the licensing regime for pet shops in Scotland?

Fully supportive

Please explain the reasons for your response.

Because there are simply far too many bad stories emanating from such establishments as well as it seems to indirectly promote rouge animal traders.

Q2. Could the aims of the Bill be better delivered in another way (rather than by the means of a Bill in the Scottish Parliament)?

No

Please explain the reasons for your response.

Put it on the Statute Book

Q3. Under the proposal, pet shop licence fees would be based on a recovery of the costs incurred by local authorities in processing applications and inspecting premises to ensure animal welfare standards are maintained. In your view, which of the following should local authorities do?

(c) Differentiate licence fees for pet shops according to other criteria (e.g. shop surface area).

Please give reasons for your answer. If you have selected option (c) please indicate which criteria you think should be used.

Turnover Number of pets for Sale

Q4. Which of the following best expresses your view of developing statutory licence conditions, building on the current Model conditions for pet vending, that would apply to all pet shops in Scotland?

Q4. Which of the following best expresses your view of developing statutory licence conditions, building on the current Model conditions for pet vending, that would apply to all pet shops in Scotland?

Fully supportive

Please give reasons for your answer, including any advantages or disadvantages of the proposal.
Something enshrined in law is the only way to protect animals retailed by pet shops

Q5. Which of the following best describes your view of banning the sale of puppies and kittens in pet shops?

Partially supportive

Please give reasons for your answer, including any advantages or disadvantages of the proposal.
Regulation would make pet shops very aware and clear about their moral and legal responsibilities for exemplary welfare. Wouldn't want good shops however to be driven away from selling into the illegal marketplace so legislation is a must but perhaps consultative with some industry standard bearers?

Q6. Which of the following best describes your view of pet shop licence applications listing all animal categories they intend to sell, with owners under an obligation to inform the local authority before stocking any new categories?

Fully supportive

Please give reasons for your answer, including any advantages or disadvantages of the proposal.
To ensure any new types are able to be cared for to their bespoke needs.

Q7. Which of the following best describes your view of mandatory inspections for all pet shops before an initial licence is granted?

Fully supportive

Please give reasons for your answer, including any advantages or disadvantages of the proposal.
Sets a consistent standard for the benefit of all animals

Q8. Which of the following best describes your view of all local authorities using a standardised approach to conducting and reporting on inspections of pet shops?

Fully supportive

Please give reasons for your answer, including any advantages or disadvantages of the proposal. Is there any reason why a standardised approach would not be appropriate?
Consistency

Q9. Which of the following best describes your view of local authorities using a risk-based assessment and issuing longer-term licences to pet shops that demonstrate a low risk to animal welfare?

Q9. Which of the following best describes your view of local authorities using a risk-based assessment and issuing longer-term licences to pet shops that demonstrate a low risk to animal welfare?

Fully supportive

Please give reasons for your answer, including any advantages or disadvantages of the proposal.

If it promotes good standards at the outset then no issues with this. Assists local authorities with their regulatory workloads

Q10. Which of the following best describes your view of enabling local authorities to contract other qualified professionals (in addition to their own officers and vets) to carry out and report on pet shop inspections, including qualified officers from other local authorities?

Partially supportive

Please give reasons for your answer, including any advantages or disadvantages of the proposal.

Benefit - covers bigger geographical spectrum and accelerates regulation Against - costs

Q11. Which of the following best describes your view of enabling local authorities to take steps to address non-compliance with licence conditions, giving licensees the opportunity to make improvements before any further action is taken, with the power to revoke a licence as a last resort?

Fully supportive

Please give reasons for your answer, and any detail you think relevant, including what appropriate intermediate steps could be.

Assists in driving up standards or prohibiting the business selling. Flexible approach

Q12. Which of the following best describes your view of increasing the maximum fine for failing to comply with the legislation, in line with more recent animal welfare legislation?

Fully supportive

Please give reasons for your answer, including any advantages or disadvantages of the proposal.

Has to be demonstrably punitive to ensure regulation delivers its aims

Q13. Which of the following best describes your view of placing an obligation on pet shop owners to provide advice to people buying pets?

Fully supportive

Please give reasons for your answer, including any advantages or disadvantages of the proposal.

They aren't for Xmas and clarity on care needs and time required will ensure informed choice and long term stable homes

Page 21: Financial implications

Q14. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

	Significant increase in cost	Some increase in cost	Broadly cost neutral	Some reduction in cost	Significant reduction in cost	Unsure
(a) Local authorities		X				
(b) Pet shop owners		X				
(c) Individuals (including pet owners)		X				
(d) Animal welfare organisations		X				

Please explain the reasons for your responses.

Simply an assumption that the cost : price chain will work through

Q15. Are there ways in which the Bill could achieve its aim more cost-effectively (e.g. by reducing costs or increasing savings)?

Unsure

Page 23: Equalities

Q16. What overall impact is the proposed Bill likely to have on equality, taking account of the following protected characteristics (under the Equality Act 2010): race, disability, sex, gender re-assignment, age, religion and belief, sexual orientation, marriage and civil partnership, pregnancy and maternity?

Neutral (neither positive nor negative)

Please explain the reasons for your response.

I don't see the link here??

Page 24: Sustainability

Q17. Do you consider that the proposed Bill can be delivered sustainably i.e. without having likely future disproportionate economic, social and/or environmental impacts?

Yes

Please explain the reasons for your response.

Q17. Do you consider that the proposed Bill can be delivered sustainably i.e. without having likely future disproportionate economic, social and/or environmental impacts?

It's simply new and needed regulation that will ultimately bed down in my view
